Boat Launch & Boating Information

Annual Launch Passes are available for purchase at Village Hall during regular counter hours, which are Monday - Thursday 8:30 – 4 and Friday 8:30 - Noon. Permits are required for use of the launch April 1 through October 30.

Daily Pass envelopes are for daily use only (by calendar day) and will not be substituted or discounted for an annual pass. Improper use/display of passes may result in fines.

Permit Hangtags cannot be shared with any other individual or transferred to another vehicle. Each permit is linked to the vehicle's license plate as listed on your application.

If you have more than one launch vehicle, each vehicle needs its own pass. Or a Daily Launch Pass must be purchased for the second vehicle when used.

Passes must be either on the rearview mirror or on the dashboard with the permit number visible from the outside at all times in and parking by the launch. Improper use/display of passes may result in fines.
